Forty-Second Annual Banquet 1/2/54

The 42nd Annual Banquet of the Rochester Numismatic Association was held Saturday, January 2nd, in the Ontario Room of the Hotel Seneca. There were 88 members and guests present at this celebration. This was the largest number that ever attendd our Annual Banquet.

George J. Bauer, one of the charter members left on our roll, was with us. The members and guests assembled in the banquet room at 7 PM. Turkey was served to those present. The speakers table was so arranged that it seated the officers, their wives, the Master of Ceremonies and the Retiring Past President along with their wives. The members and guests were seated on large round tables, each one taking a place of his or her choice.

John J. Pittman, Master of Ceremonies welcomed the members and guests after the dinner and in turn introduced each officer and their wives. The Retiring Past President was then introduced as were guests from the Buffalo and Batavia Clubs. One guest came from Moravia, N. Y. As is the custom President William A. Elston Jr. ^{presented} the Presidential Medal to Arnim B. Judd. Mr. Judd thanked those that helped make his term a success along with Alphonse A. Kolb and Barney Bloom. Alphonse Kolb, whose fine work and skill produced the medal, was congratulated on the fine job he did on the medal. Barney Bloom made the case that contained the medal and he also was given special attention.

Entertainment was furnished by Charles Cox and Irvin Sloane. Mr. Cox, a Magician, put on a half hour show of making things appear and vanish. His rope trick was especially entertaining. Irvin Sloane, son of member John W. Sloane, performed card tricks for the audience and showed several movies on Caves in Kentucky, Virginia and other points. He also showed movies on the Porpoise in Florida. Every one expressed complete satisfaction with the program.

Edmund Cox and Bill Bordwell distributed fifteen prizes to the lucky

ones. John J. Pittman then furnished the members with a thirst quenching mixture. It must have been a highly desirable punch as this was the favorite gathering place for the remainder of the evening.

Among the guests were Mr. and Mrs. Bernard W. Bailey, Harold W. Hoople, Gaston Bi Bello, Fred Gerner, A. M. Johnson and daughter Dawn Johnson of Buffalo. Mr. and Mrs. John Pawlaczyk and Mr. and Mrs. Clarke Miller of the Four County Numismatic Association. Mr. H. K. Crofoot of Moravia was also among the guests. The members of the R. N. A. wish to acknowledge their sincere appreciation.

FORTY-SECOND ANNIVERSARY BANQUET OF R. N. A.

The forty-second Annual Banquet of the Rochester Numismatic Association was held Saturday, January 2nd, 1954 at the Hotel Seneca. The event was a gala one for 88 members and guests that gathered in the Ontario Room for the occasion.

John J. Pittman acted as Master of Ceremonies for this event. He introduced the officers and wives of the Rochester, Buffalo and Four County Numismatic Associations, along with guests from Buffalo, Batavia, Albion, Caledonia and Moravia, N. Y. John commented on the fact that this was the largest gathering in the 42 years of our Annual Banquets.

The culmination of the evening was the presenting of the Presidential Medal to Arnim B. Judd, the retiring President. The presentation was made by President William A. Elston Jr. The medal was designed and engraved by Alphonse A. Kolb, Past President of the R. N. A. This medal is the 32nd by Mr. Kolb of the Presidents of our association. The medal was encased in an appropriate box from the deft hands of Barney Bloom. Mr. Judd accepted the medal with complete humility. He expressed his gratitude to the officers and members that assisted him during his term as President.

It is tradition in the R. N. A. to present the Past Presidents of our association with a medal of his bust. This is the 41st medal of this kind.

The members and guests were entertained by Charles Cox and Irvin Sloane. Mr. Cox, a Magician, put on a half hour show of making things vanish and reappear. Irvin Sloane performed card tricks and showed movies of Caves in Kentucky and Virginia. Both performances proved highly entertaining.

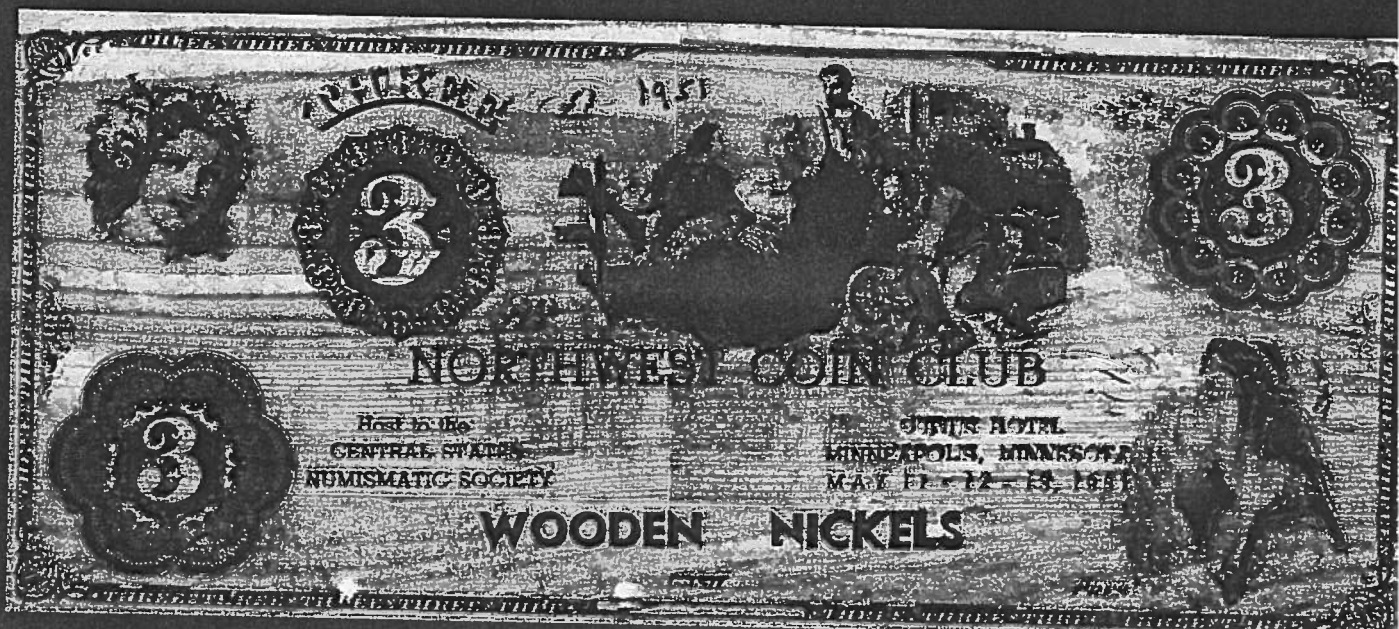

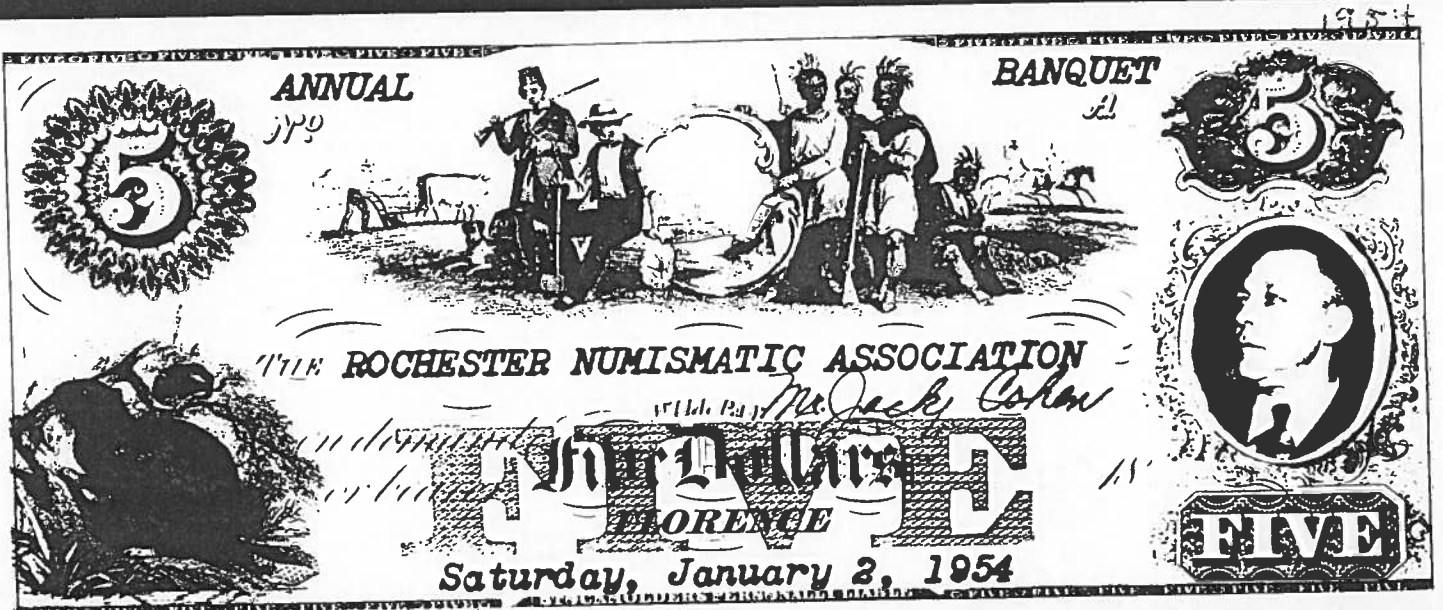

Prizes were distributed to several lucky ones during the evening. It was the task of J. J. Pittman to quench the thirst of the gathering. This he performed as only he is capable of doing. Before their departure, the members and guests knew what is meant by "Southern Hospitality."

Among the out of town guests present were Mr. and Mrs. Bernard Bailey, Harold W. Hoople, Gaston Di Bello, Fred Gerner, A. M. Johnson and daughter

Dawn Johnson of Buffalo; Mr. and Mrs. John Pawlaczyk of Albion, N. Y; Mr. and Mrs. Clarke Miller of Batavia; Alex Dean of Caledonia; and H. K. Crofoot of Moravia, N. Y. The officers and members wish to acknowledge their sincere gratitude to the guests that were in attendance.

Report of Librarian

With the ending of office 53-54 the Librarian wishes to thank those members of the Rochester Club who assisted in, to some degree, organizing and cataloging our books & journals. We are again trying to keep closer control of loaned & returned books & journals. Circulation

by Mr. Salomon ^{has} ~~not~~ ^{been} ~~increased~~ ^{increased} and ^{to all members} with a printed list of available references interest and knowledge amongst club members was most satisfactory.

The Numismatic Journals are now at the printers and in the process of being bound.

No new books were purchased.

J. Mac Millan

June 15 1954 Curator's Annual Report.

When I was first elected to this job as curator for the RNA, I found that some attempt had been made to list the material on hand and to get it in good order. I spent considerable time carrying the job to completion. I assigned a number to each piece and made some file drawers to keep them in so that they could be located. The accession list is in chronological order with the name of the donor and dates where such information was available. Another listing has been made in which the coins are listed according to country, ruler and date so that they can be easily found.

Now that this work has been done it is much easier to get material out for displays and to return it. Care has to be taken to put a small tag under each coin in the display, with the number on it, so that when the display is dismantled, the coin can be returned to its place in the file.

During the past year only a few pieces have been added to the collection, mainly uncirculated coins of the past few years which were purchased from the U.S. Treasury. My main duties during the past year have been to distribute the RNA presidential medals and to change the displays in the two cases in our meeting room.
